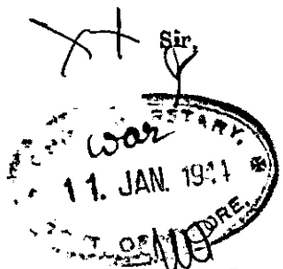
Sir,



Subject: Field firing range (100 yards)

I have the honour to forward herewith a copy of letter No. 44 G. dated 5th January 1944 from the H.Q. 62 Ind. Inf. Bde, received through the Civil Officer, Bangalore, with his report No.MB1-793/43-44 dated 7-1-1944 (copy enclosed) on the subject.

The military authorities require this area for small arms firing and they have assured that there is no necessity to evacuate any village, or close any road or track, when the firing is in - progress on the range. They also under-take to give warning to the villagers by flowing red flag on the hill, shown in the rough sketch.

The Civil Officer, Bangalore and the Civil Liaison Officer "Y" tank area have inspected the area and recommend the grant of - permission to the military authorities to carryout small range firing for a period of six months in the first instance, and subject to renewal for a further period, if necessary.

In these circumstances, I agree with them and recommend that the permission, asked for by the military authorities may be granted, for six months, in the first instance and subject to the usual - conditions regarding payment of compensation to the damages, if any, caused to property during the practice.

I have the honour to be,
Sir,
Your most obedient servant,

I have the honour to submit herewith a copy of letter No.44 G.H.Q.62 Ind. Inf.Bde. received from the Officer Commanding, 'Y' Tank Camp, requesting authority to mark a range, 100 yards to the north of the 12th milestone in the Old Madras Road for use by small arms only.

I met the Brigade Major Riddle in this connection yesterday at the 'Y' Tank Camp Headquarters and he gave me a rough sketch of the plot required, which is also enclosed herewith and he reiterated the assurance given in the above letter that there will be no need to clear any villages or to close any roads or tracks and that a red warning flag will be put up to keep off villages from approaching the firing zone.

The Civil Liaison Officer of the Camp also recommends the grant of permission to the military authorities to carry on this small range firing for a period of six months in the first instance, subject to further renewal, if necessary, and subject also to the condition that the damages, if any, to the vegetation in the neighbourhood would be duly compensated as assessed by the Civil Liaison Officer. I agree with the Civil Liaison Officer and request the issue of permission sought for. It was ascertained that this practice would continue as long as the camp continues there. The area falls within the jurisdiction of Hoskote Taluk limits.
